Hello Contributors:

A Quick update...

Kwasi Densu and I had a conference call with the University Press of Florida (UPF) this past Monday afternoon.

We made some minor changes to our book proposal in as far as the organization.

UPF is very excited about the book chapters, contributors, and the project.

Their internal editors will review the proposal and anticipate issuing a formal book contract before the New Year.

(#1.) Please confirm your Chapter Title below.

(#2.) If you have not done so already, email me a brief abstract (4-6 sentences) and bio of yourself (2-3 sentence).

(#3.) Please have your Chapter essays (15-20 total pages) completed and emailed to me by January 17, 2017.

See below.

Thank you,
-w.g.
