# Discussion Forum

## Friday, January 23<sup>rd</sup> at 6pm

## FIU/FMU Auditorium

Most pressing community relations priority in Miami-Dade County right now is the need to reduce tensions and improve trust between our residents and police. At this meeting, we prepare to share our insights and proposals with a panel of Community Relations Board (CRB) and law enforcement leaders. Join us and leaders to consider ways to make our communities safer by promoting better police and community relations.
