Dear Dr. Hobbs,

On behalf of the Alpha Upsilon Alpha (AUA) International Reading Association Honor Society and the Florida Memorial University School of Education (SOE), I would like to thank you for taking part in our 5th Annual Reading Mini-Conference that was held on November 12, 2011. It is because of dedicated academicians like yourself that it still continues to be a success. The conference evaluations reflected satisfactory results and I'm still receiving thanks via phone calls, emails, and by word of mouth for conference presentations such as yours on "Interpreting Fugitive Slave Law from Three Perspectives." Again, we were honored to have you present in this year's conference and we look forward to your participation in next year's Annual Reading Mini-Conference.

Sincerely,

Althea Duren
Assistant Professor of Reading Education
Project Director, AUA/SOE Reading Mini-Conference
